

Privacy Policy for BELM2 Mobile Application

Last Updated: March 25th, 2024

Thank you for choosing BELM2, the app designed to enhance your driving experience. This Privacy Policy outlines how BELM2 ("we," "our," or "us") collects, uses, and safeguards your information when you use our mobile application ("the App"). By using the App, you agree to the terms and conditions of this Privacy Policy.

Information We Collect

- GPS Location Data:** BELM2 collects GPS location data to provide location-based services such as trip tracking, distance and fuel usage calculation. This information helps us improve user experience.
- OBD2 Bluetooth Device Data:** The App connects to your OBD2 Bluetooth device to access vehicle performance parameters such as engine speed, fuel consumption, and other relevant data. This information is utilized for real-time monitoring and performance analysis.
- Trip and Vehicle Performance Data:** BELM2 logs data about trips, including start and end times, distances traveled, average speeds, acceleration, braking patterns, and other relevant metrics. Additionally, vehicle performance parameters recorded from the OBD2 device are stored locally within the App.

Use of Collected Information

- Improving App Functionality:** We use GPS location data to enhance features like efficiency calculation, trip logging, and location-based services within the App.
- Enhancing Driving Experience:** The OBD2 data collected is utilized to provide insights into vehicle performance and fuel efficiency.
- Local Storage:** All recorded data, including GPS location, OBD2 device data, and trip information, is saved locally within the App on the user's device. We do not store this information on our servers.

Data Security

- Local Storage:** Data stored within the App is protected through device-level security features, such as encryption and access controls, to prevent unauthorized access.
- Limited Access:** Only authorized personnel with a legitimate need to access user data are permitted to do so, and access is restricted on a need-to-know basis.

Third-Party Services

BELM2 may integrate with third-party services for specific functionalities, such as map and navigation services. These services have their own privacy policies, and we encourage users to review them before providing any personal information.

Changes to Privacy Policy

We reserve the right to update this Privacy Policy periodically to reflect changes in our practices and legal requirements. Any significant changes will be notified to users through the App or other appropriate means.
